Director, Central Intelligence Agency
Washington 25, D.C.

Dear Mr. Dulles:

I return herewith your library copy of
"Germany's Underground" which you so kindly lent me.
I found the book enormously interesting - particularly
the chapters on the different social and political ele-
ments in the anti-Nazi resistance movement.

I went to the annual Sullivan & Cromwell
reception in New York yesterday. There was a perfectly
huge crowd there, twice as big as the last time I went
several years back.

It was great fun seeing you again.

Sincerely yours,

Charles Maechling
